<strong style="background:lightyellow">1.4 My title

This is a tcolorbox.
</div>

<div style="border:2px solid darkred">
<strong style="background:darkred;color:gold">1.5 My title

This is a tcolorbox.   All together
</div>

`> cd "My␣Documents"` changes to directory `My Documents`.

`> dir /A` lists the directory content.

`> copy example.txt d:\target` copies `example.txt` to `d:\target`.

`$ cd /toto`

`# echo RIP`

```
user $ ls -la
user $ cd /toto
```

My title
